- Only the inside of the box will be viewed (outside walls/back of the box will not - please do not use these areas)
- Materials used must be safe to travel internationally through customs eg no liquid, sharp objects, food, flora, fauna, s etc
- Nothing can be loose inside the box - eg if an object, it must be firmly glued inside the box.
- Please do not include small fragments that tend to become unglued eg glitter, sand.
- Works will be exhibited behind a frame, do not include anything that needs to be unfolded, or sticks out of box etc
