

# Invitation to Participate in People Make Places: Sydney

We invite you to help us create a portrait of Sydney by creating something responding to the theme Sydney - "My City" in one of our Match Box Projects boxes. It can be anything that represents your own (experience of) Sydney, from an image to an object, a piece of writing, something made or something found...as long as it fits inside the box. Please read the following instructions. Works created in line with the below will travel with us in our exhibitions, locally and abroad to introduce Sydney through the eyes and hearts of her residents.
